January/February

2024

Dear FVIS Community,

We are FINALLY going to have a new playground! The plans have been agreed and contractors break ground at the beginning of March with completion due just before the Easter Break. You can see the plans for the playground above.

May I take this opportunity to say a massive thank you to our amazing PTA, led by Katy, who have raised over two thirds of the final cost: a total of £23,500. Thank you so much to all of our school community who have supported the school's fundraising efforts over the past couple of years. All of the hard work and effort is very soon going to be realised and we will finally have a playground that the school can be proud of. All thanks to YOU.

Have a great half term!

Best wishes,
Simon Sharp

Our New Playground!

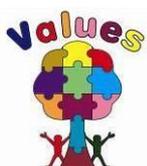

This is it! We're so excited! As I said in my message above, installation will begin at the start of March with completion due just before the Easter Holidays. It will mean some alterations when accessing the school site in the morning and at pick up but we will communicate those to parents in due course.

Year 1 Chertsey Museum Workshop

Back in January, Year 1 had a visit from Chertsey Museum who brought a selection of old toys for us to explore to support our History learning. We had the chance to play with old toys and explore how they all worked. We listened carefully and spotted the similarities and differences between old toys and present toys. It was lots of fun to get a real hands-on experience. We also did observational drawings of very old toys and made 'a bird in a cage', our favourite activity!

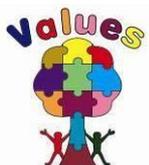

Reception Visit to St Mary's Church

The theme of Reception's RE learning this half-term has been Special Places. On 31st January, our Reception classes visited St. Mary's Church in the village. We learned that a church is a special building where some people go to feel calm and peaceful and to think about God. The children looked carefully around the church to find special artefacts and features, which they ticked off on a sheet prepared by Hannah Hossain, Children and Families Worker at St Mary's Church. Hannah explained how each artefact and feature of the church was special and why they are important to Christians. The children made us proud with their respectful behaviour during the visit, which demonstrated our School Values.

Hedgehogs Class Assembly

Hedgehogs class worked very hard to show everyone what they have been learning about since January in Year 1. They read out their stories written in English based on the book 'Emily Brown and the Elephant Emergency' and they explained how they have been consolidating their knowledge in numbers to 20 in Mathematics.

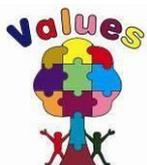

They described how Science and Geography have been learning how the weather affects us and all the seasonal changes over the four different seasons.

They also showed their impressive artwork based on the work of the French painter Claude Monet. Hedgehogs have worked very hard this half term and we are delighted to see them being so proud of themselves.

World Book Day

We are planning a range of activities in the week beginning 4th March to celebrate books and reading for World Book Day (7th March). On **Friday 8th March**, we will invite the children (and staff!) to come into school dressed as a character from one of their favourite books. Perhaps you can spend some time over half term talking to your child about their favourite books and what they may like to make or choose to wear for their costume.

WANTED: LOGS!

We are looking to 'spruce' up our woodland area (pardon the pun!). Therefore we are looking for high quality logs to make into seating for the children. If you have any or know where the school can obtain some at 'cut' or no price please let Mrs Flashman know via the school office.

2024 Dates:

Monday 12 February to Friday 16 February

SCHOOL CLOSED: Half Term

Monday 19 February

Children return from half term

Tuesday 27 February

Parents Evening - 5.00 to 8.00 pm
